GROOMING AGREEMENT

Current Vaccinations/Veterinarian Information: By signing this contract, owners verify their pets are current on Rabies, Distemper and Parvo-Virus, heartworm, and flea/tick treatment. Proof of Vaccination or current Titer testing shall be provided to Prairie Pawz LLC upon request.

Health or Medical Issues: occasionally grooming can expose a hidden medical problem or aggravate a current one. This can occur during or after grooming. We do everything in our best interest to prevent this. All medical expenses for veterinary care will be covered by the animal's owner upon signing this agreement.

Mat Removal: Pets with matted coats need extra attention during their grooming session. Mats left in a pet's coat only grow tighter, and can strangle the pet's skin, or eventually tear it open. Prairie Pawz LLC does not wish to cause serious or undue stress to your pet, and will not continually de-mat your pet for you. Mats can be very difficult to remove, and may require the pet to be shaved. When necessary, removing a heavily matted coat includes risks of nicks, cuts or abrasions due to warts, moles or skin folds trapped in the mats. Heavy matting can also trap moisture and urine near the pet's skin allowing mold, fungus or bacteria to grow, causing skin irritations that existed prior to the grooming process. Torn skin from mats can also harbor maggots. After effects of mat removal procedures can include itchiness, skin redness, self-inflicted irritations or abrasions and failure of the hair to re-grow. Shaved pets are also prone to sunburn and should be kept out of the sun until the hair grows sufficiently to protect the skin. In some cases, pets may also exhibit brief behavioral changes. Prevention is the best defense against matting by scheduling regular grooming appointments. There is an extra charge for dematting.

Accidents: There is always the possibility an accident could occur. Grooming equipment is sharp, even though we use extreme caution and care in all situations, possible problems could occur including cuts, nicks, scratches, quicking of nails, etc. In most cases this can happen when a pet is wiggling or moving around. Your pet's safety and comfort is our number one priority. In the event an accident does occur, you will be notified. If Prairie Pawz LLC feels it is an accident requiring veterinary attention and the pet owner is not on-site, Prairie Pawz LLC will seek immediate veterinary care for your pet. If you arrive to pick up your pet and they are still being groomed, please wait in the waiting area until our Pet Stylist comes to check out your pet.

Satisfaction: Your satisfaction is important to us. If you are unhappy for any reason, please speak with our Pet Stylist and they would be happy to make adjustments to the groom.

Hold Harmless Agreement: By signing this contract you (or your Agent) agree to hold Prairie Pawz LLC, it's owners, operators, employees, harmless from any damage, loss, or claim arising from any condition of the undersigned pet, either known or unknown to Prairie Pawz LLC. It is also further understood and agreed the terms of this agreement can change at any time, without notice, and will overwrite any and all prior signed contracts or releases.

Photo and Video Release: I agree to allow Prairie Pawz LLC to use my pet(s) name(s) and any images or videos taken while he/she is in the care of Prairie Pawz LLC, in any form or format, for use at any time, in any media, marketing, advertising, illustration, trade or promotional materials
